Manvika Bhupathi

SUMMARY

Motivated Computer Science and Engineering undergraduate aspiring to become a Software Developer with a passion for solving real-world problems through technology. Enthusiastic about continuous learning, emerging technologies, and software development, with strong analytical, teamwork, and problem-solving skills. Committed to building innovative software solutions while continuously enhancing technical expertise.

EDUCATION

RGUKT -Basar,Telangana — *2024-2028(expexted)*
Bachelor's of Technology- Computer Science Engineering — *CGPA:9.4*

RGUKT -Basar,Telangana — *2022-2024*
Pre University Course -MPC — *CGPA:9.89*

Telangana State Model School -Armoor — *2022*
Board of Secondary Education, Telangana — *CGPA:10*

EXPERIENCE

ApexPlanet Software Pvt. Ltd. — *May 2026 - July 2026*
App Development Intern

Developed and implemented mobile application features for internship projects, contributing to application design, testing, debugging, and deployment while following software development best practices.

Scaler School YIIC 2.0 — *feb 2025– june 2025*
nnovation Program Participant

Participated in startup and innovation-focused learning sessions, gaining exposure to AI, entrepreneurship, product development, and problem-solving while collaborating on practical, technology-driven ideas.

PROJECTS

KreedAI – AI-Based Sports Assessment System
(Smart India Hackathon Project)

Developed an AI-powered sports assessment application using Python and OpenCV to analyze player movements and provide real-time performance evaluation through pose estimation.

StegoShield – Image Steganography Application

Developed StegoShield, a Python-based application to securely hide and extract confidential messages within images using steganography techniques, ensuring secure and reliable data transmission.

TECHNICAL SKILLS & INTREST

Programming Languages: HTML, CSS, Java, Javascript, Python(Beginner).

IDE's: Visual Studio,Eclipse & Jupyter Notebook.

Cloud & DataBases: MySql

Operating Systems: Windows & Linux

Intrests: Web Development, Software Development , Artificial Intelligence& Cyber Security.

CERTIFICATIONS

coursera: Java, Python(Beginner).

Hackerrank: SQL(BASIC)
